

MORAL DILEMMA: FREDDIE & THE BUNNIES

ONCE UPON A TIME...

A FAMILY OF RABBITS, UPON READING THE LATEST ANIMAL'S ALMANAC, DECIDED TO PREPARE AHEAD FOR WHAT WAS PREDICTED TO BE A BRUTAL WINTER.

THEY FORAGED FOR
EXTRA FOOD...

THEY ADDED HAY FOR
INSULATION...

THE RABBITS WERE READY!

BUT FREDDIE WAS
NOT :-(

AND THE SNOW
STORM OF ALL
STORMS HIT...

FREDDIE PLEADED
FOR SHELTER IN
THE WARREN!

IF FREDDIE IS ALLOWED IN, HIS QUILLS
WILL HARM/KILL THE BUNNIES; BUT IF
HE STAYS OUTSIDE HE WILL DIE

WILL YOU LET FREDDIE IN; WHY OR WHY NOT?

YOUR NORMATIVE THEORY WAS?

WAS YOUR DECISION PURELY RATIONAL?

WHY MIGHT SOMEONE ANSWER DIFFERENTLY?
